The committee felt that presently the power delegated to Director, NCERT to accord administrative sanction for the original work including special repair executed through CPWD is Rs. 5 Lacs is insufficient so that the committee recommends that this amount may be increased from Rs. 5 lacs to Rs. 50 lacs in view of the inflation of cost.

Dr. Lata Vaidyanathan also suggested that this amount may be revised after every five years by 20% so that administrative approval could be given by the Director for the original work including special repair executed through CPWD.

The members of the Committee appreciated the team NCERT for comprehensive agenda of the meeting.

The meeting ended with vote of thanks to the Chair.
